Faculty of Engineering and Industrial Technology Conducts Free Enrollment Training, Empowering Students with Greater Flexibility in Academic Planning

The Faculty of Engineering and Industrial Technology, Suan Sunandha Rajabhat University, organized Free Enrollment training sessions for newly admitted students for the 2026 academic year from 30 June to 2 July 2026. The sessions introduced students to the University's self-service course registration system and provided guidance on how to effectively plan and manage their academic schedules.

The Free Enrollment system enables students to independently plan their studies and register for courses online within the registration period specified by the University. This student-centered approach offers greater flexibility and convenience, allowing learners to make informed decisions about their study plans while streamlining the registration process. As a result, academic administration becomes more efficient, faster, and better aligned with students' individual learning needs.

Highlights from the Free Enrollment Program for New Students, Academic Year 2026

The Faculty of Engineering and Industrial Technology, Suan Sunandha Rajabhat University, organized the Free Enrollment Program for newly admitted students for the 2026 Academic Year from June 30 to July 2, 2026. The program introduced students to the University's self-service course registration system while providing comprehensive guidance on effective academic planning and course selection prior to the commencement of the semester.

The Free Enrollment system is a student-centered online course registration platform that empowers students to independently plan their academic pathways and register for courses during the official registration period designated by the University. The system enhances flexibility by allowing students to make informed decisions regarding their study plans in accordance with curriculum requirements and their individual academic goals.

Through hands-on training and practical guidance, students gained a clear understanding of the registration procedures, course planning strategies, and effective use of the University's online registration platform. This initiative helps streamline the academic registration process, making it more convenient, efficient, accurate, and responsive to students' individual learning needs, while fostering greater responsibility and autonomy in managing their own academic progress.

The Free Enrollment Program reflects the Faculty's commitment to promoting a modern, learner-centered educational environment by equipping students with the knowledge and digital skills necessary to confidently navigate the University's academic systems and successfully plan their educational journey.

## **工程与工业技术学院2026级新生自主选课 ( Free Enrollment) 现场纪实**

2026年6月30日至7月2日，泰国宣素那他皇家大学 (Suan Sunandha Rajabhat University) 工程与工业技术学院举办了2026学年新生\*\*自主选课 ( Free Enrollment) \*\*培训活动。活动旨在帮助新生全面了解学校自主选课制度，并指导学生熟悉在线选课流程，掌握课程规划与学业管理的方法，为今后的学习奠定良好基础。

**\*\*自主选课 (Free Enrollment) \*\*制度是学校推行的一项以学生为中心的课程注册机制，学生可在学校规定的选课期间内，通过在线系统自主规划学习计划并完成课程注册。该制度充分赋予学生更大的学习自主权，使学生能够依据个人学习需求、专业培养方案及未来发展目标，科学规划学习进度，合理安排课程选择。**

**通过实施自主选课制度，不仅进一步优化了课程注册流程，提高了教学管理工作的效率和服务质量，也为学生提供了更加便捷、高效、灵活的学习体验，充分体现了学校坚持以学生发展为中心、持续提升教育管理现代化水平的办学理念。**

**工程与工业技术学院将持续完善教学支持与学生服务体系，不断优化学习资源与教育管理机制，为学生营造更加优质、高效的学习环境，全面提升人才培养质量，培养符合未来社会需求的高素质专业人才。**
